Microfiber Polishing Mop with plastic mop frame 47x15 cm, 1set

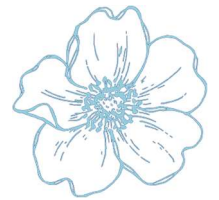

Product description

The floor cleaning set with bulky microfibres mop fits all standard handles and can be used on all smooth floors such as laminate, tiles, PVC, stone, marble and parquet. The mop is particularly absorbent thanks to the special microfibres and soft, dense velour. Suitable for wet and dry cleaning. The fine microfibres penetrate even the smallest crevices and actively remove even the most stubborn dirt - even without chemical cleaning products. When used dry, its electrostatic properties act like a magnet to attract and hold dirt.

Number of units :	1 set
Quantity per pallet :	594 sets
No. of boxes per pallet :	99 (6 sets per box)
Mop size :	47 x 15 cm
Code :	00424

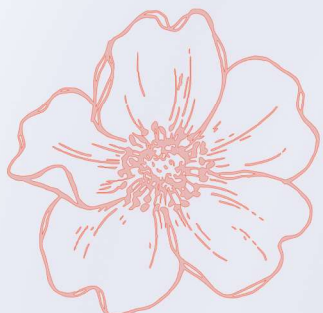

Mop Microfibre Recharge 47x15cm
